InCompany Training

In collaboration with you we organize or develop InCompany trainings and courses according to your ideas and needs. Benefit from the fact that we can

- Design contents to company-specific requirements and wishes
- Specifically address questions and problems in your field of application
- carry out practical exercises on your equipment
- conduct training sessions in French or English, if necessary

Experts are at your disposal for a personal need's assessment

Place / Date

The training can be conducted at your location or as online training. Your employees do not have to pay for travel and accommodation!

Fees

On request, depending on the length of the training and the complexity of the curriculum.

Target group / customers

Customers who have a need for specific education and further training measures to complete the offering of the SCS Academy and other training providers.
